COMPLIANCE WITH REGULATIONS: I request mooring and harbor privileges at the Cordova Small Boat Harbor for the above described vessel and agree to abide by the posted rules and regulations as established by Title 11 of the Cordova Municipal Code. I understand and agree that this application, if approved, shall apply only to the above-described vessel and is not transferable. In the event of a change in ownership and/or operator, a new application shall be effectuated. I expressly consent and authorize the City to move the vessel in the event fees are not paid, ordinances or regulations are violated, or in the event of an emergency as defined or decided by the City of Cordova and agree to hold the City harmless against loss or damage to my vessel/gear/lines/equipment resulting from the movement of the vessel. I agree to hold the City, its officers, employees and agents, harmless from any bodily injury to any passenger or member of my crew. I hereby consent to a physical inspection of the vessel and its equipment by Harbor employees, officers or agents, in the exercise of duties as outlined in the Cordova Municipal Code, at any time while the vessel is within the boundaries of the Cordova Small Boat Harbor or the Port of Cordova. The City will be indemnified by the vessel owner for any damage to any harbor/port facility as a result of the vessel, its passenger or crew.

MOORAGE FEES: Moorage will be paid on an annual basis and will be due when billed. I understand that failure to pay may result in the impoundment of the vessel.
